Note: This page does NOT show which companies have announced a dividend.

It only lists those payouts that were previously announced and have been credited to shareholders.

For a list of future dividends, please visit the Book Closures page.

Are you waiting for a dividend and don't know if the company has credited it to shareholders or not?

If yes, use this table to check if the payouts announced by companies have been credited.

In general, it can take 3-4 days for companies to credit dividends to all shareholders.

Therefore, wait for a few days after the dividend credit announcement and if you

Still haven't received the dividend, contact the registrar of the company.
